

# LET'S CLEAN THE ROADWAY! OR... OK...AT LEAST THE DITCHES

Please help us protect the Elk River Headwaters Watershed by joining the EHWA and a coalition of local Snowshoe/Slatyfork businesses on Saturday, May 30th to help clean up the litter along the beautiful roads of our community. Picking the litter up today, will keep it out of our picturesque river tomorrow.

- Please meet us at 9:00 am at the Inn at Snowshoe Parking lot. Sleeves rolled up until 12:00.
- Trash bags & gloves provided by the WVDOH.
- Volunteers will receive a cookout lunch at noon located in the field by the Big Springs Exxon. Folks who participated last year are encouraged to wear their commemorative bright red 2008 T-shirt...Safety First!
